Bullying

Bullying and Bullying type behaviours will not be tolerated

This means that none of the following behaviours will be accepted at Moorabbin Primary

Bullying is repeated domination, physical or psychological, of a less powerful person by a person or group

Harassment is any verbal, physical or sexual conduct (including gestures) which is uninvited, unwelcome or offensive to a person.

Physical Bullying – including fighting or play fighting, pushing, shoving, hitting, tripping, taking or breaking a person's property, knocking a person's books or belongings out of their hands or off their desk, rude gestures or invasion of personal space.

Verbal Bullying – including name calling, offensive language, rude words, put downs said to others directly or behind their backs, picking on or teasing people because of any difference they may have e.g. Race, gender, size or ability etc.

Subtle Bullying – including offensive staring and leering, lying, spreading rumours, playing nasty jokes to embarrass and humiliate someone, writing hurtful notes or graffiti, mimicking, excluding others from a group or encouraging others to exclude.

Cyber Bullying – including use of email, text messages designed to humiliate or distress.

At school it is your right and responsibility to report bullying and bullying type behaviours whether it happens to you or someone else to a trusted adult like a teacher or parent.

If you bully or harass someone, they may:

- feel anxious,
- feel depressed,
- have low self-esteem,
- not do well at school,
- feel like they don't want to come to school,
- feel like they have no friends,
- feel like they don't belong

These feelings can last a very long time. If you see someone being bullied or harassed and do nothing, you may be part of the problem because you provide an audience for the bully.

If you see someone being bullied or harassed, immediately tell an adult like a teacher and tell the bully their behaviour is unacceptable.

You have a right to learn in a supported atmosphere

- o Expulsion

These consequences will be used with discretion depending on the nature of the incident.

Strategies for Children:

When someone does something to you that you don't like or that hurts you in some way, you have a choice in how you will deal with it.

Here are some things you can try:

- o Wait and cool off
- o Tell the person to stop it
- o Talk it out with the person
- o Try and make a compromise
- o Apologise
- o Ignore it and walk away
- o Go to another game and play with other people
- o Get help from a teacher

If ever there is something that is worrying you, always talk with your parents, a teacher or another adult you can trust to help you.

Signatures

We ask that all students bring home their completed Code of Conduct for discussion and signing by their parents or caregivers. The Code of Conduct booklet should then be kept at home to be referred to and for safekeeping; this signed section should be returned to the School.

I understand and have discussed the Moorabbin Primary Code of Conduct with my teacher and my parents. I undertake to abide by the rules of Moorabbin Primary School. If I see bullying type behaviours happening in the school yard, I will tell a teacher so that something may be done. I will not do anything to deliberately hurt someone.
